FAITH AND DESTINY

A TRIBUTE TO

RABBI PHILIP AND RUTH LAZOWSKI

SEPTEMBER 19, 2010

Faith and Destiny is the miraculous true story of two children whose religious beliefs and sheer will to survive, carried them through four years of fear and tragedy in Nazi-occupied Poland. Whether it was faith in God or “Beshert” (destiny), it’s a story you won’t soon forget.

All proceeds from this event will benefit Voices of Hope. Voices of Hope is an organization created by descendants of Holocaust survivors to collect, categorize and share the experiences of Holocaust survivors for the benefit of future generations. The goal of this organization is to maintain historical accuracy of the Holocaust, to teach subsequent generations about the evils of prejudice and intolerance, and to foster a culture of courage against hate, bigotry and inhumanity.
